

## Highlights of Bible Prophecy

Do you think what happens in the future doesn't matter today? Think again. The author of Revelation prefaced his vision with the encouragement that the person who knows prophetic truths—and orders his life according to those truths—will live better *now*. The study of Bible prophecy ... reminds us that God is sovereign. ... reminds us that God is good. ... motivates us to holy living. ... helps us establish proper priorities. ... gives us hope.

## 7 Pillars of Health

As believer's we are responsible for the blessings that God gives us. All throughout Scripture we see that God calls us to be responsible to use what He has given to us for His glory. While we often give attention to money and time, we sometimes overlook our own bodies when it comes to stewardship. Join us Sunday Mornings during the second service as we look at how we can be better stewards of our own bodies. The class will be based on *7 Pillars of Health* by Dr. Don Colbert.
